

The governing body of Whybridge Infant School are responsible for establishing the strategic direction of the school by setting the vision, values and objectives for the school.

The governing body work closely with staff to annually set a school improvement plan with clear objectives to take the school forward. Through full governing body and committee meetings we closely monitor the progress of the children engage with all stakeholders and contribute to whole school self - evaluation.

We monitor the performance of staff in the school by ensuring that the performance management cycle is carried out. We have a separate committee who undertake annually the performance management of the Head Teacher.

There is a termly full governing body meeting to which all governors must attend. The Sites and Finance Committee meet termly and are responsible for setting the budget annually and closely monitor spending and ensure best value. We meet termly and are responsible for ensuring the site is safe and secure and propose any changes / improvements to the buildings and grounds. The Curriculum and Pupil Related Matters Committee meet termly and our main focus is achievement and standards. We closely monitor progress of all groups of children and analyse school and national data. We ensure that all the elements of the national curriculum are covered. We are also responsible for other pupil related matters such as behaviour and discipline.

The Governing Body of Whybridge Infant School was re-constituted in November 2015 and it was agreed that the membership would be as detailed below and consist of the following:
