

Pupil premium 2013 -2014

All schools receive a grant from the government for each child who is eligible for free school meals, who have been looked after for more than six months or who have parents in the armed forces. This grant is known as the pupil premium. The pupil premium allocated to Whybridge Infant School for 2013 -2014 was £35,561.

In 2013 -2014 the governing body decided to use the grant to provide additional individual or group support to pupils through additional learning support assistants and resources. The main focus of the support was to raise achievement in reading, writing and mathematics. Activities included precision reading , speech and language activities such as running the Talking Partners programme and Talking Maths programme

Impact of the pupil premium.

Average point scores for pupils in the year 2 end of key stage assessments in 2014 were as follows:

Average point score reading (national)	Average point score writing (national)	Average point score maths (national)
15	13.7	15.0
Average point score reading (school 2014 pupil premium pupils)	Average point score writing (school 2014 pupil premium pupils)	Average point score maths (school 2014 pupil premium pupils)
17.7	15.2	16.2

EYFS and pupil premium pupils:

62% of pupil premium pupils achieved a good level of development compared to 73% non-pupil premium pupils in the school and 60% in the LA.

Year 1 Phonic test:

100% of pupil premium pupils passed the year 1 phonic test.

The results clearly confirm the positive impact the extra support provided has had on raising the achievement of pupils entitled to free school meals.

The pupil premium for 2014 – 2015 is £54,900 and will be spent in a similar way by providing additional learning support assistant to run support programmes in literacy and mathematics to individuals and groups and to purchase resources.
