

Whybridge Infant School

## **P.E. and Sport Grant 2014 – 2015**

### Introduction

All schools since 2013 have been given funding for improving physical education in schools as part of encouraging a healthy lifestyle. Whybridge Infant School received £6226, this included the main grant and £5 per pupil for those pupils who were 5 in the January census. As all schools have individual needs they are allowed to decide how the funding is spent.

### **2014 – 2015 use of funding**

At Whybridge Infant school the funding was used for the following:

- Purchase of a new P.E scheme for games, dance and gymnastics
- Staff training in the implementation of the new scheme
- New equipment benches and tables to resource the new scheme
- Specialist coaches / instructors

As a result of the above the children are experiencing a wider range of sporting activities to improve their fitness.
