

## **Whybridge Infant Primary School Sport in England** **Grant 2016 - 2017**

Since the Olympic Games in 2012 the government has provided funding for schools to ensure a lasting legacy for the children until 2020. The funding is to allow schools to promote sports, physical activity and a healthy life style. The amount awarded to a school is based on the number of children aged 5-7. At Whybridge Infant School we highly value physical education and all pupils participate in a wide range of activities including tennis, athletics, Zumba, multi – sports, dance and gymnastics. Children in the EYFS have daily sessions outside as part of their curriculum. The 2016 grant awarded was £8594.

### **At Whybridge Infant School we aim to:**

- provide high quality opportunities for all regardless of the ability of the individual
- provide high quality professional development for all staff
- provide specific sport coaching from experts to enhance provision
- increase the after school provision

### **We have used the grant in the following way:**

- To pay for access to the 5 a day initiative
- To hire two lunchtime play leaders
- Install artificial grass on part of the reception outdoor area allowing them to be outside and active in all weathers
- To employ a professional dance teacher to ensure the children receive high quality instruction on a weekly basis
- Purchase an adventure trail for pupils in the EYFS
- Extend the playground to enhance provision in the EYFS allowing them more space for bikes and scooters
- To allow subject leader to attend CPD and cascade to all staff
- New equipment for physical education

### **The impact:**

- Children have a wider range of sport and physical activity experiences
- Increased fitness levels of pupils
- Additional quality resources

- Staff better subject knowledge

**In 2017-18 the grant predicted to be £8598 we aim to:**

- Install artificial grass on the years 1 and 2 play area
- Maintain the play leaders at lunchtime
- Extend the adventure trail for children in the EYFS
- Continue with a dance teacher
- Seek to bring in more specialist coaches
- Continue with the 5 a day initiative
- Develop the skills of staff with further CPD
