

Teacher assessments:

At the end of year 2 pupils are assessed in the following areas. Our results for the last five years have been significantly above national averages.

Results for 2016

Reading:

80% of pupils were working at the expected level or above compared to 74% nationally.

Writing:

75% of pupils were working at the expected level or above compared to 65% nationally.

Mathematics:

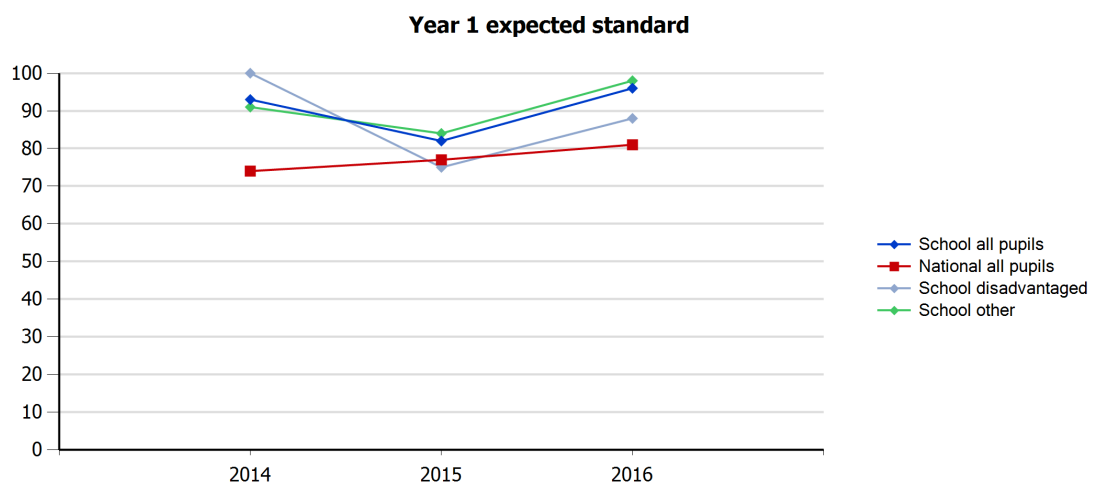

80% of pupils were working at the expected level or above compared to 73% nationally.

Science:

93% of pupils were working at the expected level or above compared to 82% nationally.

Year 1 Phonic Screening 2016:

All pupils in year 1 nationally have to undertake a phonic screening test in the Summer term. The test consists of the children being required to read 40 real and nonsense words. This is to test their phonic knowledge. In 2016 96% of pupils passed compared to 81% nationally.

Early Years Foundation Stage 2015:

73% of pupils on leaving the EYFS had achieved a good level of development compared to 66% nationally.
